

CORA HIRING STAFF
AFTER SCHOOL SITE COORDINATOR
CORA SERVICES
8540 VERREE ROAD
PHILADELPHIA, PA
19111

May, 25, 2018

Dear CORA hiring staff member,

I am contacting you about the After School Site Coordinator position that is posted on your website. I came across CORA Services through a google search for jobs related to counseling teens and families. As I looked over your site, I found that both the vision and core values of your organization align incredibly well with how I would like to pair my passion for restored relationships within families, with my creativity.

I would like to see youth and families transformed through a loving community that seeks to help them understand themselves, one another, and their surrounding relational circles through intentional care and purposeful programming.

I just graduated from Cairn University with a B.S. in Youth and Family Ministry, a Minor in Visual Arts, and an M.S. in Counseling. The focus of my senior project has been developing an art therapy curriculum that seeks help adolescents process through trauma in a group setting. I would really be interested in working with you to develop a plan for me to weave my creative approach into the After School Site Coordinator position.

I would be greatly interested in learning more about your organization and seeing the work that you do through the programs that you offer to your community. I am convinced that I could learn a lot from working with an organization like CORA. I also believe that my unique perspective on and engage others in.

I am interested in applying for the After School Site Coordinator position. If you have any other volunteer or internship opportunities available, I would greatly appreciate hearing from you with more information about how I can partner with the work that you are already doing. Please see my attached resume and personal biography in the case that you would like to know a bit more about me as well.

Thank you greatly for your time and consideration.
