**Summary**

I am a college sophomore whom is looking to gain work experience that may lead to advancing in my career when I graduate in 2020. I have experience mainly in restaurants and in retail, one of my strongest qualities is my ability to adapt to new settings and workplaces quickly and take the skills I have and put them to good use. I am a hard worker, I am responsible and also I am a team player.

**Education**

**constitution high school-** *high school*

*Graduated June 2016*

**Employment History**

**Target-** *cashier*

*June 2016 - September 2016*

A cashier who often had multiple roles throughout the store. I rang customers up for the most part but when I was needed, I took on other roles, I stocked in the backroom and I also tagged items on the aisles.

**dave and busters-** *cashier*

*March 2017 - Present*

Responsible for helping customers and ringing them up for prizes, I also counted and shredded tickets, I also help out where I am needed and often are required to switch roles through
