Re: Deena R. Meles

To Whom It May Concern,

Ms. Deena Meles has served as a para with Proud Moments, providing ABA Services. While I served as the behavior analyst, Ms. Meles worked on my team, servicing a child diagnosed with an Autism Spectrum Disorder. We worked together for approximately 7 months. Her responsibilities included teaching her students, utilizing the methodology of Applied Behavior Analysis, collecting data, reporting progress and collaborating with all team members.

Ms. Meles has shown to be a reliable individual. She arrived to sessions on time and has always maintained a consistent schedule. She has been successful with observing clinical strategies modeled and being able to execute them herself. Additionally, she has shown determination and patience when working with her student. She has formed a positive rapport with him, ultimately creating a working relationship conducive to learning. Ms. Meles has been an asset to our team, providing feedback and collaborating with all team members. She has been a pleasure to work with and I have no hesitation in providing a recommendation for her. I am sure she will have success in any of her pursued endeavors. If you have any questions, please feel free to contact me at (917) 617-8369.

Sincerely,
