

BLAIRE JANNEY, OTR/L

228 N. Brookfield Rd | Cherry Hill, NJ 08034 | bjanney1@ithaca.edu | 609.707.9831

PROFESSIONAL EXPERIENCE

- Sep 2017 – Present** **Waldvogel Household, Nanny** **Maple Shade, NJ**
- Attentively engage with and respond to the needs of five (5) children ages 3 months to 4 years old, including twins
 - Central in identifying and developing solutions relating to speech and OT delays diagnosed in 2 of the children
- Jul 2017 – Sep 2017** **Dynamic Therapy Center (LEVEL II Fieldwork), Occupational Therapy Intern** **Lebanon, TN**
- Worked in conjunction with an interdisciplinary team of approximately 20 speech, physical, and occupational therapists to co-treat children ages 10 months to 12 years old with diagnoses including autism, developmental delays, sensory integration problems, Down Syndrome, Duchenne Muscular Dystrophy, Arthrogryposis Imperfecta, visual impairments
 - Evaluated, assessed, formulated, and implemented occupation based treatment plans with functional outcomes
 - Administered the BOT-2, Sensory Profile, WRAVMA, Peabody assessment and primitive reflexes
- Mar 2017 – Jun 2017** **NovaCare Rehabilitation (LEVEL II Fieldwork), Occupational Therapy Intern** **Cherry Hill, NJ**
- Planned, organized, and conducted occupational therapy interventions in an outpatient rehabilitation clinic
 - Treated clients ages 13 years to 70+ years old, including Worker's Compensation & Medicare clients, in a specialty field of hand therapy with diagnoses including lateral epicondylitis, tendon repairs, Dupuytren's, and more
 - Entrusted to accurately communicate patient information and progress to physicians and therapy professionals
 - Created several orthotics for a variety of diagnoses with highly effective results and minimal manager supervision
- Aug 2016 – Dec 2016** **Center for Life Skills (Ithaca College Working Clinic), Occupational Therapy Intern** **Ithaca, NY**
- Developed group and individual activities for patients with neurological impairments and collaborated with other speech and physical therapy students to treat shared clients
- May 2016 – Aug 2016** **The Children's Hospital of Philadelphia (LEVEL II Fieldwork), Occupational Therapy Intern** **Philadelphia, PA**
- Conducted extensive research of Duchenne Muscular Dystrophy and created 3 templates of tracking tools that evaluate and assess a patient's current function, achieving an effective systematic documentation process for patient assessment and long-term monitoring, all of which are still currently being used by hospital
 - Documented treatment sessions, evaluated client progress, wrote evaluations, created and set appropriate goals for clients, and improved quality of life by increasing clients' functional abilities in rehabilitation and outpatient setting
 - Communicated therapy recommendations and thoroughly trained clients and their caregivers on recommendations
- Mar 2016** **Perkins School for the Blind, Occupational Therapy Intern** **Watertown, MA**
- Observed the treatment of students with various visual and cognitive deficits
- Oct 2015** **Penn Medicine at Rittenhouse, Occupational Therapy Intern** **Philadelphia, PA**
- Observed and assisted in the treatment of clients in an inpatient hospital
