

In response to your advertisement for a Supervisor of the 21st Century Learning Program, please see the attached resume.

I have extensive experience managing and developing after school, extra-curricular and athletic programs. For the past eleven years, I've been the Director of After School and Summer Programs at Springside Chestnut Hill Academy. In addition, I have over twenty years of experience as a manager in a variety of sectors, including: public schools, independent schools, higher education, non-profit and for-profit organizations. Furthermore, I am an active and involved member of my community. I've been a baseball coach with Mt. Airy Baseball for eighteen years! I am confident that my combined experience will serve as an asset to CORA Services.

I would like to schedule an interview so that we can further discuss this opportunity. I can be reached at (215) 605-5624, and I look forward to hearing from you soon.

Sincerely,

Stewart Calloway
