To whom it may concern,

I am excited about the opening for the Truancy Case Manager for Cora Services, Inc. I have a Bachelors of Science in Rehabilitation Human Services and am currently working as a Case Manager at The Covenant House of Pennsylvania which is a homeless shelter for youth between the ages of 18-21.

I have experience with working with diverse people from all different backgrounds and walks of life. I am also very advanced in motivating and being able to be a support system to youth and young adults who need it. My educational background and training qualifies me to thoroughly be able to work in any field dealing with human services and case management. I am a team player as well as an individualized candidate which is needed for this field.

I believe that I would be a great candidate for this position. I would greatly appreciate the opportunity to participate in a personal interview to further discuss interest and qualifications for this position. Thank you for your time and consideration, I look forward for speaking with you in the near future.

Sincerely,  
Tichina Rhodes
