

To Whom It May Concern:

I highly recommend Yasir Thomas as a candidate for employment and service. Yasir Thomas was employed with the Superior Court of New Jersey from 2004-2014. Yasir was responsible for managing a caseload of at-risk juvenile probations; a job that is multifaceted and requires lots of skills.

Yasir and I worked closely together for more than five years with the Superior Court of New Jersey; and I was his supervising officer prior to his promotion to Senior Officer. Yasir displayed above average talent and had a natural ability to provide extraordinary service to others.

Yasir was a tremendous asset to youths, his community and the judiciary and has my highest recommendation. If you have any further questions regarding his background and qualifications, please do not hesitate to call me.

Sincerely,

Carolanne Brennan
