To Whom It May Concern:

As the current Supervisor of Special Services for the Highlands Tri-District and former Supervisor of Child Study Teams for Lakewood Public Schools it is my pleasure to extend my strongest recommendation for Ms. Agnes Konopka for the position of school psychologist.

I have known Ms. Konopka since September of 2016 when she was hired by Lakewood Public Schools in the role of a school psychologist.

Ms. Konopka can be described as a very organized and knowledgeable Child Study Team member who is respected and admired by her peers.

Ms. Konopka has developed strong bonds with the students and teachers who she worked with and was integral in developing new preschool programs during her tenure in Lakewood.

I would be happy to further discuss my admiration for Ms. Konopka and am confident that she would be a true asset to your School District.

Sincerely,

Sam Angona

Supervisor of Special Services

Highlands Tri-District
