## MASTER'S LEVEL CLINICIAN

To whom it may concern,

My name is Deborah Hong, a graduate student on track to pursue a license as a mental health care professional; License Professional Counselor. I will hold a Master of Arts in Counseling after this spring semester in June 2020.

My professional experience ranges from serving children, teens, and young adults in individual counseling, in the classroom, and sports-related settings.

In my current position as a Mental Health Counselor Trainee I provide individual counseling and classroom support; assessing and supporting the social, emotional and behavioral challenges of students. I am active in sessions and the classroom; collaborating together with students and teachers to develop the most effective support for the students. These tasks range from creating individualized strategies, visuals to attend to the student's executive functioning and to provide structure, brainstorming positive reinforcement strategies (verbal and non-verbal), and scaffolding.

My strengths and experience consist of consistent and on-going collaboration with classroom teachers, in-school specialists, outside providers, and families. I am well versed in my counseling skills, techniques and providing support to the needs students and clients. I am passionate in helping individuals reach their social, emotional, and behavioral goals by providing therapeutic services and hope to continue the process to receive my License in Professional Counseling.

Thank you for your time and consideration.

I look forward to speaking with you in regards to my qualifications.

Best Regards,  
Deborah Hong
