EXPERIENCE

Philadelphia Children's Alliance, Philadelphia, PA — *Clinical Intern*

August 2023-Present

- I work directly with the children who were referred for victim services by providing TF-CBT. I also work with the parents and caregivers to facilitate the productiveness of treatment outside of the therapeutic space. Worked with a peer to facilitate a trauma focused group with the topic of safe boundaries.

Notable Accomplishment:

- Trauma Focused-Cognitive Behavioral Therapy certified

Philadelphia Children's Alliance, Philadelphia, PA — *Prevention Liaison & Training Coordinator*

September 2022-Present

- I work directly with the community to offer and provide training, support and advocacy in preventing child sexual abuse. Additionally, I work to facilitate training for staff around the development of the Child Advocacy Center.

Notable Accomplishment:

- Mandated Reporter certified
- Stewards of Children training facilitator
- Psychological First Aid certified

WES Health Center (McClure Elementary), Philadelphia, PA — *Clinical Intern*

January 2023 - June 2023

- I work directly with the children who were referred for Behavioral health support in school. I provided support in which the students worked on their goals through a solution oriented lens and had the opportunity to learn regulatory skills. I worked with teachers and parents to aid in de-escalation of potentially harmful situations and to help the students emotionally regulate in the moment.

Community Integrated Services, Philadelphia, PA — *Direct Support Provider*

June 2021 - August 2022

- I found the strengths of Clients who have various disabilities and helped place them into proper workplace environments. I assisted the Clients on and off the work sites as a direct support professional to ensure continued quality of working.

Notable Accomplishment:

- ACER Certified.

Philadelphia Children's Alliance, Philadelphia, PA — *Intern of Outreach & Prevention*

January 2020 - May 2021

- I worked with the Outreach and Prevention team, assisting in creating functional tools for the company to use for outreach and prevention.

Notable accomplishments:

- Held monthly meetings to understand the needs and ideas of the different branches and worked towards solutions.
- Completed research for company growth and development
