

To Whom It May Concern:

I am extremely delighted to present a recommendation for one of my best interns, Camilia Jones. I strongly support Camilia's desire work with your company. Though many interns ask me to make this request on their behalf, I only recommend students whom I feel are well-suited. Camilia is one of those individuals and therefore, I highly recommend that she be given the opportunity to work with you.

I first met Camilia during WHYY's Fall 2017 Internship program. As a reporter, I'm tasked daily to produce, write and present on-air stories. In fact, Camilia often helped with writing and the production of WHYY's programs. She accomplished several tasks head-on, from presenting story ideas to running the teleprompter, with great initiative and a very positive attitude. I'm sure her talents will only shine further while working with company. It is for these reasons that I offer high recommendations for Ms. Jones without reservation. Her drive and abilities will truly make her a successful candidate. If you have any further questions with regard to her background or qualifications, please do not hesitate to contact me at nichellepolston@gmail.com.

Best regards,
Nichelle McKelvey-Polston
