

Dear Friend,

I have worked as an educator for over 24 years. I currently work as the lead kindergarten teacher at the beautiful campus of Friends Central School. I am fortunate to work with wonderful families, bright and spirited children, supportive colleagues, and exceptional leadership. At this time, I am looking to work at another great school/educational setting closer to home so I can be more immediately available to my family.

I would appreciate being considered for an early childhood or pre-k teaching position in the spring of 2019 or the 2019-2020 school year. I have a passion for working with young children. I have a strong work ethic, enjoy collaborating with colleagues, am flexible, and have a particular love for teaching children about social justice. I believe that I can make a positive contribution to your organization.

Thank you for your time and consideration.

Sincerely,
Tuesday Vanstory
