To whom it may concern:

I am pleased to present my resume to you for consideration for the Math Teacher Position. I have a Bachelor and Master of Science in Elementary Education and a Pennsylvania Level I Teaching Certificate. I have been an elementary school teacher in the Archdiocese of Philadelphia since 2001. For the last 9 years I have taught Math exclusively. Currently, I am the 4th through 8th grade Honors Math teacher. I am confident that I will be a valuable asset to your program.

I believe that I have a lot to offer the students. I give 110% of myself to planning and developing lessons that are engaging and appropriately challenging. I am always willing to learn and try new ideas. I count this as my greatest strength when dealing with students.

I have a strong desire to be a teacher that students will remember as having a passion for teaching. I believe it is my job as a teacher to help each and every student succeed. It is my goal to combine my professional and personal range of experience with my ability to be a compassionate, enthusiastic, and dedicated teacher who will make a positive contribution to your school. Thank you for your consideration.

Sincerely,

Roseanne Welte
