Employment Experience

Keystone Job Corps Center

235 West Foothills Drive Drums, Pa. 18222

Facility Maintenance Work Base

11/21/15 to 02/08/2016

Participated on and off-center Construction projects that included: refurbishing classrooms and offices; repurposing an empty room into a Computer lab, built Storage shed On-site; remodeling the vocational shop area; and landscaping Center grounds.

Zion Gardens apts

03/01/2016 to 11/05/2018

1101 W Girard ave Philadelphia Pa

At this site I perform duties such as renovating the apartments so that new tenants can move in. Also do all the necessary repairs so the old residents can live comfortable. Close out work orders. But the main task was to make sure we had a safe environment at all times. And inspections.
