To Whom It May Concern

I am interest in the Summer Camp Leader listed on the Cora website. I am currently a high school senior at Holy Ghost Prep. In the fall, I will be acquiring my bachelor's degree in mechanical engineering at Elizabethtown College in their honors program. I believe my experience with children and leadership skills would make me an excellent camp leader for your summer program.

I am comfortable with working children. As an Eagle Scout, I assisted younger scouts to earn various merit badges. I also volunteered at the Cheltenham Bicycle Rodeo. This experience involved working with children of different physical and mental capabilities. I led an obstacle course for children to learn, practice, and develop bicycle handling skills, in a fun, noncompetitive atmosphere. I am knowledgeable and have participated in various sports. As a youth, I played on a competitive soccer team. I also played on intramural basketball, baseball, and flag football teams. I would enjoy interacting with the children and teaching them various skills. I am confident that I can provide a fun but safe environment for campers of all ages and abilities.

I also have leadership experience. As an Eagle Scout, I led my troop to design and install steps along a path leading to a bird blind at Pennypack Park Nature Center. This involved me teaching and proper handling of various tools in order to prevent injuries. As a guitar player in a band, I learned to be confident instructing a live audience of all ages while having a friendly demeanor. These experiences will help me be an excellent leader at your summer camp.

I am confident my experience and leadership abilities are the qualities you are looking for in a Summer Camp Leader. Thank you so much for your time and consideration, and I look forward to hearing back from you soon.

Sincerely,

Alexander Kobilnyk
