To whom it may concern:

I'm writing to apply for the position of Adolescent Substance Abuse Case Manager at Cora Services.. I am confident that my skills are well-aligned with the role, and that I would be an excellent fit for your organization..

In my recent capacity as Job Navigator for Child Focus, I was able to significantly expand my skill-set. My responsibilities for 30 clients searching for jobs and looking to expand their education helped me to develop my skills in case working and system navigation in particular. I believe that these skills, as well as my Bachelor of Arts Degree in Psychology in addition to my current enrollment in a Master of Social Work program make me an excellent candidate. I am currently in Cincinnati Ohio but looking to relocate back to Philadelphia to be closer to school at Temple.

I believe my experiences and track record make me an excellent fit for this opportunity. I have enclosed my resume for your consideration. Please feel free to contact me via phone or email at a time of your convenience to discuss my background as well as the requirements for the role. I will attempt to follow up by Monday, April 1st, 2019.

Sincerely,

Laura Kresslein
