Upon reviewing your posting for the School Psychologist position, I was pleased to discover how well my qualifications align with your needs and requirements. If given the opportunity, I will be coming to you with a proactive approach, well-developed field expertise, and important leadership abilities.

To briefly introduce myself, I am a dedicated and skilled professional offering more than five years of extensive experience of working as a school psychologist and case manager. Throughout my career, I have excelled in the completion of detailed psycho-educational assessments. In addition to my experience, I am a holder of an Educational Specialist degree from the Philadelphia College of Osteopathic Medicine and NCSP certification from the National Association of School Psychologists.

Ultimately, I am confident that I would be a valuable contribution to your team, and I welcome the opportunity to further discuss my professional highlights during an interview if possible. Thank you for your time and consideration-- I look forward to speaking with you soon.

Sincerely,
Paris Stafford, Ed.S, NCSP
