About

I have garnered experience in various states and school settings, showcasing adaptability and versatility. I am known for my strong sense of independence and reliability. My strengths lie in establishing meaningful connections with peers, teachers, and parents, adeptly bridging communication among all stakeholders. I also bring years of understanding of the special education process and responsibilities of the school psychologist to the team.

Education History

Philadelphia College of Osteopathic Medicine

Educational Specialist (Ed.S)
Masters, School Psychology

2011 -2015

Work Experience

Contracting Roles
