Re: Letter of Recommendation for Jasmin Briscoe
Date: Monday, October 22, 2018

The purpose of this letter is to offer recommendation for Ms. Jasmin Briscoe. Ms. Briscoe has been serving as a parent volunteer since the start of the school year. She has dedicated her services to the my classroom on her own time. She has proven to be an asset to our classroom by assisting with scholars that have been disruptive in the classroom. She upholds the classroom norms and holds all scholars accountable. She has established a positive relationship with the scholars and is able to demonstrate her capability to handle all behaviors.

Ms. Briscoe is able to do small group and one-to-one instruction. She often gives praise to students that are on task. The students in the classroom respect her and look to her for guidance. She is definitely an asset to the classroom.

It is clear to see that she is invested in the success of not only her children but to the entire class. She takes initiative in tasks that need to be done within the classroom and does not need to be asked to do anything.

Ms. Briscoe will be an asset to any classroom that she is assigned to. It is a pleasure having her in my classroom and I would recommend her for any paraprofessional job in the school.

Sincerely,
