Dear HR Recruitment Manager,

It is with great interest that I am presenting my CV for a position at Cora Services inc. As a dedicated caregiver in the home health aide field and former sales associate for Build a Bear workshops I believe I would make an excellent addition to the cora family and will make an immediate contribution to its continued success

Since 2011 I have been a caregiver, starting off as a babysitter in my community to later getting my home health aide certification at Holy Redeemer Health Care where I assisted many clients with their daily living needs. I tend to patients with chronic illness, maintain safe environments and administer simple treatments to improve comfort and well being. I am a great communicator, organized, reliable and meticulously detail oriented. I have also worked at Build A Bear workshops where I organized parties for ages 2-17, played fun games and made sure every child went home with a smile.

I truly enjoy helping others and thrive to make a meaningful difference in their lives. I look forward to meeting with you to discuss open positions. In the meantime please find my resume attached. References are available upon request.

Sincerely,

Rebecca P.
