May 6, 2019

I am interested in the Summer Camp Leader position as listed on the CORA Services Inc. careers page. I am Junior at Thomas Jefferson University East Falls Campus studying Business Marketing. I have extensive work and volunteer experience with children, I'd excited to continue working with kids as a camp counselor at YouthCOR Summer Camp.

Most recently, I have been nannying a young girl everyday after school for the 2018- 2019 school year. My Primary responsibilities in this role included homework help, planning activities, picking up from school and traveling to various actives, making dinner, and tidying the house when needed. I have also babysat for various families throughout high school, typically on the weekend were my duties where to have a few activities with the kids, cook dinner and clean up, then get the kids ready for bed.

I have also volunteered with my schools Women's Rowing team with Athletes Helping Athletes which is a program that providing awareness and community support for the special needs athlete through inclusion in athletic functions. I have participated in these events for the past three years. This has been one of my favorite volunteer events I have done, I enjoy spending time playing and actives with the kids that come.

The Summer Camp Leader position sounds like a great opportunity, and I am thrilled to get involved! I enjoy working with children and have a passion for helping enrich kids lives, it's certainly a job in which I would excel. I believe the children would enjoy my energy and enthusiasm. Thank you so much for your consideration; please let me know if there is any additional information I can provide.

I look forward to hearing from you.

Sincerely,

Michaela Strangia
