Re: Summer Camp Leaders

Dear Recruiting Team Member,

I am pleased to submit my resume for your consideration for the Summer Camp Leader position. I recently graduated from the University Of Connecticut School Of Business with a degree in Finance and a minor in Communication. I maintained an excellent academic record graduating with a 3.46 GPA. This fall, I will be pursuing a master's degree in Financial Risk Management, as part of the 4+1 competitive program offered through the business school at the University of Connecticut.

I have extensive experience working as a camp counselor with children of all ages. My experience includes working for a camp that offered summer programs for children with Autism Spectrum Disorder. Below are some of the duties I was assigned:

- Participated in a 3-day training provided by the camp focusing on the unique care/needs of the campers
- Provided leadership and guidance to campers who required special assistance
- Assisted the campers in increasing independence through daily activities
- Actively participated in daily activities, including swimming and assistance at lunchtime

Thank you in advance for your time and consideration. I look forward to hearing from you.

Sincerely,

*Nickolas Ocasio*
