

Good Afternoon,

My name is Madison Jane Griffin and I am a current freshman at La Salle University with an intent to graduate in 2025. I am writing to express my interest in a position at CORA Summer Camp.

Currently, I am majoring in Economics and minoring in English and History. I have worked in retail and service at several businesses, which have allowed me to develop customer service and de-escalation skills. My previous positions included 8-hour shifts on my feet, both in the early morning and late evenings. In my current position, I am the full time caretaker for La Salle University's dog mascot and oversee all of his care. In this position, I am hands-on at all times and take an active role in Angus's physical health and wellbeing.

In my personal life, I am an avid reader with an interest in World History and Folklore, both modern and ancient. I also have a passion for writing of any type, with a slight partiality towards creative story writing. I enjoy talking to people and making others laugh. I love being around younger kids and have worked with children as young as three. As someone who went to summer camp as a child, I know how much of a difference a great summer can make in a child's life.

If you have any questions, please feel free to contact me,

Thank you,

Madison Jane Griffin
