To Whom It May Concern,

Ms. Emily Kelly was an outstanding staff member at Camp Tamarack for the past two summers. Camp Tamarack is a children's residential camp, located in Bracebridge, Ontario, Canada, that is home to over 450 campers and staff each summer. While on staff, Emily held the position of Hawthorn Counsellor and was responsible for overseeing a cabin of 7-10 year old girls. She was a welcome addition to our staff team and exceeded any expectations we had of her.

As a counsellor, Emily was responsible for planning, programming and implementing dozens of activities for her campers. She was also responsible for the safety and well-being of all of her campers 24/7. Her innate ability to relate to her campers on a personal level was unmatched. She created incredible bonds with her campers that will, no doubt, continue for years to come. Her positive outlook and enthusiasm were welcome by both the campers and staff. Emily was always looking for ways to improve her performance and often turned to the Unit Head and Leadership team for support. One of Emily's greatest strengths is her calm demeanor. She has an incredible ability to handle even the most difficult situation in a professional manner.

Outside of her responsibilities as a counsellor, Emily was always participating in extra-curricular activities around camp. Whether participating in one of the camp shows, or participating in one of the camp-wide programs for over 400 participants, Emily was leading by example. She is a determined individual who constantly sets goals for herself and always achieves what she sets out to do.

That said, I would recommend Ms. Emily Kelly for any position you have open. She is a kind individual who will be a great asset to your team. If you have any further questions, feel free to contact me.

Sincerely,

Marc Cooper
Camp Director
