

KNOW DRUGS IN THE NORTHEAST

CORA's Community Conversation Series - Part 3 **Hosted by PA Rep. Joe Hohenstein**

Tuesday, April 16, 2019 | 7:00-9:00 PM

Bridesburg Recreation Center
4601 Richmond St, Philadelphia, PA 19137

Presenters:

Philadelphia Department of Behavioral Health
Heather Major, Manager, Blue Cross Foundation - Project STOP
Mary K. Doherty, Director of Government & Strategic Partnerships - CORA
David Fialko, Certified Prevention Specialist - The Council of Southeast Pennsylvania, Inc.

Much has happened in the City to address the massive crisis stemming from opioid and other drug and successes are real. So, we invite you to join us as we continue our community conversations ... and

- receive in-person training in opioid overdose reversal through NARCAN administration; *a limited supply of Narcan kits will be available to those completing training*
- actively discuss drug addiction and misuse,
- hear/respond to updates on the work of the Philadelphia Resilience Project, and
- learn about recovery education

*We believe that the solution to drug addiction/misuse lies in the community.
Please join us to become part of the solution.*

142 LIVES
LOST EVERYDAY
TO OVERDOSE
that's 52,404 Americans in 2016

2/5 TEENS
believe prescription drugs
are safer than street drugs

60% OF
overdose deaths are caused by
PRESCRIPTION PAINKILLERS

OVERDOSE IS THE
#1 CAUSE
of individuals under 50 years old

*Sign-up today! No fee to attend. Registration is requested for Planning.
