RE: SAP Position

To Whom It May Concern:

Hello. My name is Ms. Apryl Anis. I have experience as an Outpatient Behavior Therapist working in a multicultural environment with Individuals and Families, composing biopsychosocial assessments and formulating evidence-based treatment plans, centered around Trauma Informed Care. I also have experience as a BHRS, Lead Clinician, school-based behavior therapist / analyst working with children and adolescent teens, writing behavior support plans, positive behavioral intervention supports, and formulating evidence-based behavioral strategies.

I was accepted into the Clinical Psychology Doctoral Program at the Philadelphia College of Osteopathic Medicine (Psy.D). I have a Master of Science in Applied Psychology / Applied Behavior Analysis from Northeastern University Boston, and a Bachelor of Arts degree in Psychology from Columbia University in the City of New York.

I am familiar with CBH regulations and all areas of BHRS, regarding Lead Clinician supervision. I am also familiar with the Clinical Documentation electronic Credible System, Evolve System and Care Logic System with respect to Progress Notes and other essential HIPAA protected documentation.

I enjoy working with people and love what I do. I'm looking forward to interviewing with you. I can be reached at (609) 317-6967.

Thank you for your time and have a wonderful day.

Sincerely,

Apryl Anis, M.S. A.B.A

Behavior Therapist / Analyst,
