Search Committee,

Thank you for the opportunity to apply for an internship position . After reviewing your job description, it is clear that you are looking for a candidate that is extremely familiar with the responsibilities associated with the role, and can perform them confidently. Given these requirements, I am certain that I have necessary skills to successfully do the job adeptly and perform above expectations.

I am a diligent college student (BS Kinesiology) currently attending The Pennsylvania State University. During the course of my academic career I also managed to accrue nearly three months of work experience. I had the privilege of working for Best Personell Inc. in a server role in my free time, where I learned valuable professional skills such as catering operations, customer satisfactions and member development. In both my academic and professional life I have been consistently praised as hardworking by my professors and peers. Whether working on academic, extracurricular, or professional projects, I apply proven communication, teamwork and leadership skills, which I hope to leverage into your establishment.

As an individual with high level of organization and multi-tasks skills, I look forward to the opportunity to work with the staff. I look forward from hearing from you soon. Enclosed is a copy of my Resume, which will highlight more of my qualifications. I can be contacted via phone (215)834-7976 or email sas7107@psu.edu.

Thank you for your consideration.
