To Whom It May Concern,

I am writing today because I would like to apply for a position as a Summer Camp Leader at the YOUTHCOR Summer Camp. I met Tameka today at the Philly City Wide Job Fair at Temple University's Main Campus.

I have previous experience as a student worker and assistant group leader at Cambodian Association of Greater Philadelphia, an OST program. I was a full-time staff member in the summer assisting with summer camp activities. I am very familiar with the routines and expectations of a camp such as YOUTHCOR. Additionally, I love working with school children of all ages.

As a recent biology and teaching graduate, I believe I can help develop any STEM or project-based activities that might be in development. I enjoy working in a dynamic environment with people from diverse backgrounds and believe that I would make a great fit at YOUTHCOR.

Please do not hesitate in contacting me for additional questions or information I can provide. I look forward to hearing more about this opportunity.

Sincerely,
Tida Yann
