## EDUCATION

B.S. Biology with Teaching  
January 2016 – December 2018

Temple University

Training in biology and secondary school teaching. I have completed three semesters worth of science methods coursework including practicum experiences in upper elementary, middle, and secondary grades in the Philadelphia School District. I completed student teaching at Central High School in December 2018.

A.A. Culture, Science, and Technology

Community College of Philadelphia

January 2012 – June 2014

Graduated with honors. After completion of this degree, I continued my studies in Biology here and transferred to Temple University mid-program after December 2015.

## WORK EXPERIENCE

Substitute Teacher  
April 2019 – Present

Kelly Educational Staffing

Follows lesson plan and procedures left by regular teacher. Maintain classroom schedule and daily routines. Assigns classwork and homework according to lesson plans. Demonstrates classroom management.

Peer Advisor  
May 2018 – August 2018

Temple University

Assisted academic advisors within the College of Science and Technology with the preparation of first-year orientations. Helped first-year students navigate registration processes. Independently lead transfer-student orientations and tours. Collaborated in managing and creating content of a university-related social media account.

Barista  
January 2014 – June 2017

Starbucks Coffee

Used teamwork and communication skills during peak times. Managed tasks and priorities in a high-volume store. Built customer relationships and ensured customer satisfaction. Acquired knowledge about all retail and seasonal products offered. Received *Partner of the Quarter*, June 2016.

Student Worker  
July 2012 – December 2014

Cambodian Association of Greater Philadelphia

Assisted staff and monitored children during field trips and outdoor activities during the summer. Helped elementary school students with homework by tutoring and educational games during the school year. Handled food according to state laws and regulations.

## VOLUNTEER EXPERIENCE

Let's Get Ready  
June 2017 – August 2017

During this 9-week SAT and college prep course, I was a verbal tutor for a small class. Responsibilities included monitoring student progress, facilitating discussion, and mentoring. Received *Most Helpful Verbal Coach* award.

Philadelphia  
Science Festival  
April 2017

Executed a lesson group plan on how smartphones can be used for science. Conducted demonstrations for curious festivalgoers.

## QUALIFICATIONS

As of February 2019, I acquired my Instructional I Certificate to teach Biology grades 7-12 in the state of Pennsylvania.
