

To whom it may concern,

My name is Nick Pelbano and over the years I have had the opportunity to work with many dedicated people, one in particular stands out. Nicole Reichert is a dedicated, caring, and hardworking individual. I worked alongside Nicole for 4 years and throughout those 4 years her passion and drive to complete her work to the best of her ability never wavered. She has a calming persona about her that shows in how her co-workers react to her presence. Nicole was not only an asset for her personality and abilities, but also her work ethic. Nicole was always in attendance and extremely prompt. She handles responsibilities well and can wear many hats.

Nicole always put her school work first and made sure that her schedule allowed her to further her education. Nicole is a hardworking individual and has a diligent attitude. She takes direction and constructive criticism well and is always eager to know what she can do better.

I can assure you that Nicole would be an excellent representative and asset to your program. If you would like any further information, you can contact me at 215-964-0476.
