Cora Services
Summer Camp Leader
8540 Verree Rd
Philadelphia PA 19111

Dear Cora Services hiring manager,

I am writing to express my interest in the summer group leader opportunity at Cora Services. As a progressive professional with childcare and leadership experience, I believe that I can bring valuable contributions to your team.

Observation, inspiration and determination are my foundation for success. I am currently a student at East Stroudsburg University with a major in exercise science and a concentration in pediatrics occupational therapy.

Formerly I have both worked and volunteered in summer camp settings but my experience with children does not stop there. I am the oldest of 5 other siblings providing me with experience with children on a day to day basis. However, my role as an orientation leader is what really stemmed my collaboration and leadership talents. I have enhanced team work abilities and organization skills. I am a team player and am always looking for opportunities to better myself and the people around me. With these qualities I see myself as a fit candidate for this position.

For a greater presentation of my background and qualifications please see my attached resume.
Thank you for your consideration

Best,
Kiyannah McGee
