Key Qualifications

Plan and instruct students using meaningful tasks in order to motivate and engage students in active learning. Develop and conduct cross-curricular activities to connect central ideas.

Analyze NJASK and PSSA test data to design prescriptive programs for the students, and to make data-based decisions in adjusting instructional programs in order to increase student achievement.

Steady increase in testing scores per academic school year.

Experience Integrating Technology within the Curriculum

Incorporate technology within the curriculum during classroom and individualized student instruction. Designed and conducted various faculty workshops for training in PowerPoint, WebQuests, and Virtual Field Trips. Utilized and designed material for Mimio Interactive Whiteboard system.

Computer Skills

- **Software:** Microsoft Windows®, WordPerfect, Microsoft Word, Access, Excel, Outlook, Exchange, PowerPoint, Mimio, PowerSchool/PowerGrade

*“...shows creativity in planning lessons
that guides students in analysis of
language in poetry and novels... able
to connect current music with
important themes and ideas catching
students’ attention and causing them to
think...”*

Roberta Devlin-Scherer, Ed.D.

*“...an endeavor of mine is to better the
conditions of city life and of city living.
Having exposure to schools in this
mission is essential... teachers have a
way to impact students and society on a
whole... I would welcome the
opportunity to continue this mission at
your school.”*
