5915 N Front St. Philadelphia PA 19120 | phone 215 806 3231 | email kiyannah.esu@gmail.com

Objective

To obtain a good employment and career opportunity within an organization that will utilize my experience and help my individual growth.

Summary

My name is Kiyannah McGee. I am a graduate of Science Leadership Academy and a current student at East Stroudsburg University majoring in exercise science with a concentration in occupational therapy. I have an interest in dance, exercise, children, helping others but I am always eager to try something new.
