To Whom this may concern,

I am very pleased to recommend Ebony Sanders for your organization. I have worked alongside Ebony for the past three years. Ebony's skills and leadership qualities would make her an invaluable asset to the team.

While Ebony has found success at the Douglass School helping to increase student's awareness, self-confidence, emotional development, and self-respect. Ebony is looking to maximize her skills as a leader within a larger role. Ebony has demonstrated patience, team work, consideration of others, and maturity to step into a leadership role.

Ebony has the ability to plan, create, and execute relatable content to our students. She is proficient at writing and communicating with the faculty and families in regards to upcoming events and resources. Ebony uses her knowledge of the world and previous work experiences both to popularize and to develop a platform for educational training and life skills workshops. She has her finger on the pulse of the student population and provides content that is both useful and relatable to the students.

In addition to her professional qualifications, Ebony has personal qualities that make her well-suited to leadership. She has naturally fallen into the role of "point person" that provides answers to most questions. Ebony has shown to be committed to the quality, growth, and progress of our students. In short, Ebony is a person with a vision.

Ebony has my highest recommendation. Please feel free to contact me for any further questions. I can be reached at (302) 538-3090. Thank you for your time.

Sincerely,

Donald Short
Executive Administrative Assistant
