**Cora Services**

**Application for School Psychologist – NJ Certified**

8540 Verree Road

Philadelphia, PA 19111

Dear Sir/Madam,

It is with great interest that I am applying for the position of School Psychologist – NJ Certified for the 2019-2020 school year at Cora Services. Upon review of your opening for a new School Psychologist, I feel that this position would be a good fit for me, and I thank you for your consideration.

Some assets I will bring to Cora Services include my comprehensive knowledge and training in many cognitive, academic, behavioral, social-emotional, and risk assessments. I also have experience with functional behavior analysis, implementing interventions, student counseling and teacher consultation.

I have a Master's Degree in School Psychology, and am in my last year of graduate school. By June, 2019, I will have received my Educational Specialist Degree in School Psychology from Temple University and my New Jersey school psychologist certification. After that, I plan to apply for my national certification, so that I may be a Nationally Certified School Psychologist (NCSP).

I am from Pakistan, and have lived/studied in England, Italy, Saudi Arabia, Jordan, and the United States. This travel-heavy lifestyle has helped foster an understanding and ease in working with children and families from a variety of diverse backgrounds. From these experiences, I have also gained a unique and global perspective on education, which I look forward to expanding through working as a school psychologist in Cora Services.

A copy of my resume is attached for your review. I look forward to discussing my candidacy for this position with you. Thank you for your time and thoughtful consideration.

Yours Sincerely,

Ayesha Solaiman, M.Ed.
