As a prior experienced 8th grade Social Studies teacher and current lead Pre-K teacher, I have developed a passion and personal commitment to helping my students succeed. I feel that my background as an educator is a perfect match for the open position.

While holding a teacher position at Elizabeth City Middle School, I developed highly effective lesson plans, motivational exercises, and performance assessments. I have helped improve test scores, and received positive feedback from parents and fellow educators alike for my abilities in the classroom. My teaching style demonstrates dedication to fostering a positive learning environment for all students and maximizing individual student performance. The accomplishment I'm most proud of is having a career that I am very passionate about.

I am confident that my background and relevant experience will be a valuable asset to your program and I look forward to the opportunity to discuss this position further. Thank you for your time and attention.

Sincerely,

Felicia Hawkins
