Hiring Manager:
CORA

When I saw the listing for a Clinical Counselor—Drug and Alcohol at CORA, I was eager to apply. I am a licensed social worker, and I recently graduated with my Master's of Social Work from Temple University. Through my internship experiences at Wedge Recovery Centers and PATH Inc., I feel I'd be a perfect fit for this position.

At both internships, I worked with many clients, including minors, suffering from co-occurring disorders. Through my volunteer work, I also have led psychoeducation and support groups for the families of those suffering from substance use disorders at Northeast Treatment Centers of Philadelphia.

I have learned a great deal from these positions, and I am eager to apply my knowledge to aid those suffering from substance abuse disorders. I can be reached by phone or email at any time, and I look forward to hearing from you.

Sincerely,

Sean Forman
