To Whom It May Concern:

I offer this recommendation on behalf of Sarah Hart. I can confirm that Sarah is a recent graduate student from our PreK-12 School Counseling Masters/Certification Program. She has completed the final stages of completing her education requirements for the Pennsylvania School Counseling certification earlier this month. These requirements include graduate coursework and field experiences (100 hour practicum and 600 hour internship).

I currently serve Eastern University as the Director of the School Counseling Program, but I also work as a full time school counselor and have for the past nineteen years. I can state without hesitation that Sarah will be a tremendous asset to the field of school counseling. She possesses a calm demeanor and compassionate manner that will serve her well in her future work within education. Furthermore, I would like to add that I would immediately hire Sarah if the opportunity arose. She was one of our most diligent and hardworking students as proven by her current 3.97 GPA.

It is my sincere hope that you will consider Sarah Hart for employment. If you have any further questions about our program or school counseling graduate student, please do not hesitate to contact me at (610)-304-5442 or at jennifer.cipollone@eastern.edu.

Sincerely,

Jennifer Q. Cipollone, M.A.
