Certificate Information

Critical information regarding each certificate may be found on the PDE website in our Certification Staffing and Policy Guidelines (CSPGs). The CSPGs may be accessed from the website by going to the Teachers, Administrators and Certification page, then selecting the Certification Staffing Policies (CSPGs) link. The CSPGs provide detailed information regarding:

- **Validity (Service Life) of Certificates** information is found in CSPG 3 and CSPG 7. "Years Valid" indicates service years, not calendar years when the "Expiration Date" is blank. Service years are the maximum number of years the credential holder may be employed in the area of certification; inactive periods do not count against the service time.
- **Requirements for Conversion from Level I to Level II** information for most certificates is found in CSPG 7
- **PDE Approved Induction Information** is found in CSPG 20
