RELATED WORK

Special People in Northeast, Philadelphia, PA

November 2016 to present

Therapeutic Support Staff

- Supporting each child to participate more fully within their school, home, and community. Through a positive relationship with each child and family, it is required to help achieve identified outcomes and provide customized strategies for the child to develop.
- Prompting interventions such as peer interaction skills, conflict resolution, and behavior and anger management.

Special People in Northeast, Philadelphia, PA

June 2018 to August 2018

Mental Health Worker, Summer Therapeutic Activities Program

- Worked with Mental Health Professional and fellow Mental Health Workers, during a six week program, on social skills and building friendships to help improve emotions and behavior with adolescents
- Using the Superflex and the Unthinkables series, members of the group discussed superflexible thinking strategies to understand how they are able to control their behavior and actions.

WORK EXPERIENCE

Archbishop Wood High School, Warminster, PA

September 2018 to December 2018

School Counselor Intern (*Part time*)

- Consulted with families, administration, and staff on promoting student motivation and providing insight on students who needed support which includes being part of the intervention/prevention team
- Worked individually with senior students on finding the best fit to post-secondary schools and/or other career possibilities by using websites such as Naviance, Common Application, and College Board

Afton Elementary, Yardley, PA

January 2018 to May 2018

School Counselor Intern (*Part time*)

- Coordinated with parents, teachers, and staff on increasing high quality needs for students
- Created and cooperated with students in the classroom and group counseling based on students' social and emotional needs
- The goal for the students were to help them become self-aware learners

Stephen Decatur Elementary School, Philadelphia, PA

September 2017 to December 2017

School Counselor Intern (*Part time*)

- Under supervision, worked with students on improving academic success in schools
- Helped eighth graders prepare for secondary education with workshops, interviews, and writing materials if required.
- Coordinated with faculty members through an intervention team on standards and protocols such as crisis management, team building, etc.
