

CORA Services

CORA is a multi-funded, community-based, non-profit agency, which offers professional services to children, youth and their families. Among the many services provided are: psychological and educational evaluations; speech and language services; individual, family, and group counseling; vocational and career counseling; remedial education; parent education; resource and referral assistance; job training and pre-employment skills. The service approach of CORA is based upon a belief in the value of the person, and appraising of the individual's unique potential for growth.

The Impact of Trauma on Education

Presented by: Katherine Streit, MSW, LSW, M.S.Ed.

October 20, 2020 - 9:00 a.m. to 11:30 a.m.

- Virtual Workshop -

Presenter: Katherine Streit, MSW, LSW, M.S.Ed. is a Licensed Social Worker who has a Master's of Social Work and a Master's of Science in Education from the University of Pennsylvania. Katherine serves as the Training Coordinator at Uplift Center for Grieving Children, where she develops and implements the Center's training and Professional Development opportunities. Katherine has extensive experience working with children in behavioral health and violence prevention roles in Philadelphia schools, within individual, small group, and classroom-based therapeutic programs with children. She specializes in coaching and consulting with educators, school clinicians, school leadership, and climate staff in both individual and team capacities, in order to support sustainable gains in effectively supporting youth experiencing compound loss and trauma; safely managing challenging behavior in and out of the classroom and how to best help children apply & utilize safe and positive social emotional skills.

Purpose: The goal of this presentation is to equip the school psychologists, counselors, educators, and speech therapists in the audience with relevant knowledge and tools they can use within their specific roles. There is an emphasis on interactive activities & experiential learning throughout the training, with the goal of obtaining concrete skills, strategies, activities, and talking points to immediately apply in work with youth or in one's own life/work experiences.

Credits Offered:

- | | |
|----------------|-----|
| • Act 48 | 2.5 |
| • APA | 2.5 |
| • NBCC | 2.5 |
| • SW, MFT & PC | 2.5 |

Objectives: As a result of this interactive workshop, participants will be able to:

1. Learn how to review impact of trauma & complex trauma on youth's brains, bodies & social-emotional functioning
2. Learn how to shift our mindsets to view students through a new lens, specifically in regards to their behavior
3. Learn the essential elements for trauma-informed schools and fundamentals for being a trauma-informed adult
4. Learn concrete strategies for cultivating safety in school and in the classroom for students exposed to trauma and traumatic loss
5. Learn how to set goals for ourselves within our roles in schools for utilizing, advocating for, and/or maintaining classroom and school-wide structures that can mitigate the impact of trauma on students' learning

Intended Audience: This program will benefit Educators, Principals, Teachers, Psychologists, Social Workers, Mental Health Counselors, Graduate Students and other practitioners within mental health and education who provide direct services and/or parent/teacher consultation.

Schedule:

- 9:00 Conference begins
11:30 Evaluation and Conclusion

Cost of Program: \$50.00
