## - Virtual Workshop -

**Suicide Prevention, Intervention & Postvention Strategies**  
**Courtney Gambrell, M.S., Family Advocate Counselor, CORA Services, Inc.**  
**April 26, 2023 – 9:00 a.m. to 12:00 p.m.**

**Presenters:** **Courtney Gambrell, M.S.**, holds a MS in Clinical Mental Health Counseling from Villanova University. She has five years of professional experience with suicide prevention and crisis intervention efforts and has worked as a call center listener at the Family Service Association of Bucks County. She is employed by CORA Services supporting youth and families by providing counseling services in the Family Advocate Division of the Clinical Services Department, and currently works per diem as a Behavioral Health Crisis Clinician at Main Line Health Systems completing comprehensive suicide risk assessments on children, teens, adults and older adults.

**Purpose:** The purpose of the presentation is to support mental health practitioners and other professionals with becoming more comfortable with conducting suicide risk assessments. Counselors may benefit from learning about comprehensive suicide risk assessments and crisis intervention avenues.

**Intended Audience:** This program will benefit, Mental Health Counselors, Psychologists, Speech Therapists, Educators, Social Workers, Principals, Teachers, Occupational Therapists, Graduate Students, and other practitioners within mental health and education who provide direct services and/or parent/teacher consultation.

**Objectives:** As a result of this interactive workshop, participants will be able to:

- Learn about warning signs of suicidality
- Explore the differences between passive and active suicidal ideations
- Present evidenced-bases assessments (SAFE-T, C-SSRS, Beck Scale for Suicide Ideation)
- Explain common crisis intervention avenues (mobile crisis, partial hospital, etc.)
- Discuss the significance of postvention strategies.
