Suicide Risk Assessment and Management in the Technology Age
Presented by: Terri Erbacher, Ph.D.
School Psychologist and Founder of Erbacher Consulting Associates, PLLC
October 26, 2023 – 9:00 a.m. to 12:15 p.m.
<mark>VIRTUAL WORKSHOP</mark>

Presenter: Dr. Terri A. Erbacher, Ph.D. has practiced as a school psychologist with the Delaware County Intermediate Unit for 23 years and she founded her private practice, Erbacher Consulting Associates, PLLC in 2014. She also served as a Clinical Associate Professor of School Psychology at Philadelphia College of Osteopathic Medicine for over 13 years, where her coursework and research focused on school-based crisis intervention and suicide risk. Dr. Erbacher's practice focuses on training, coaching and consultation on the topics of school crisis response, social media and youth mental health, trauma, suicide prevention, and threat assessment.

Dr. Erbacher has been active in the enactment of Pennsylvania legislation and serves as a subject matter expert for the Pennsylvania Commission for Crime and Delinquency's School Safety and Security Committee for issues related to suicide and threat assessment.

Purpose: This session will focus on identifying often hidden warning signs and risk factors, building a therapeutic alliance, utilizing assessment tools, effectively conducting youth suicide risk assessment interviews, and determining level of suicide risk. This training will include information regarding how to effectively use technology as well as strengths and pitfalls of information technology for youth. Practitioners attending this workshop will gain an understanding of how to monitor suicidal behavior over time, plan treatment, and protect oneself from vicarious traumatization. Attendees will leave this workshop with many specific strategies and skills that can be implemented immediately. This seminar will conclude with a comprehensive case review to ensure practical understanding of the material presented.

Objectives: As a result of this interactive workshop, participants will be able to:
- Conduct and document a comprehensive suicide risk assessment
- Assess level of risk and apply strategies to monitor suicide risk over time
- Identify both positive and negative impacts of technology in suicide risk
- Use concepts learned to actual case studies

Schedule:
8:30   Registration
9:00   Conference Begins
10:30   15-minute break
10:45   Conference resumes
12:15   Evaluation and conclusion
